

It's time to go back to college.... Ski college that is.

Park City Ski College

Dec. 4 – 8, 2017

\$550

Ski College is a longtime tradition at Park City for adults looking to get back into the ski of things with a more hands-on approach. It's an extended program that includes five days of lessons with one of their world-class instructors. During the program, you'll brush the rust off your skills in order to learn new tricks and/or improve on old technique. It's an ideal program for both newcomers looking to improve, as well as returning Park City guests hoping to warm up after long off-season. Space is limited, so make your reservation early. This program is for level 5 skiers and up (parallel turns on all green, and gentle blue runs) and all adults ages 21 and up. Participants will be placed in groups to match your ability level. Lessons run from 9:00 am - 3:00 pm with a lunch break at the on-mountain restaurant of the groups choosing. Lift tickets are extra (\$117). Use your Epic Pass and save! Sign up for the Ski College online directly with the Park City Mountain Resort (<https://www.parkcitymountain.com/plan-your-trip/ski-and-ride-lessons/category/products/Ski-College-session-1>).

Park City has lodging for every budget, and early season prices are the rule. The Empire Coalition has 2-bedroom 2-bath condos starting at \$60/night per person. The Yarrow has rooms at \$80/night per person. Ed has a line on a 2-bedroom 2-bath condo ski in/ski out on Main Street for \$551.42 including taxes for a week. That's not per person, that's per condo (sleeps up to 6). Availability is limited. Contact Ed if you are interested.
